

"Unity in Diversity"

"Unity in Diversity" encapsulates the transformative power of unity, diversity, and collaboration. At its heart lies a central circle, symbolising the company, while the smaller circles within it represent the diverse individuals who contribute their unique strengths, perspectives, and talents to the organisation.

This artwork boldly celebrates diversity, as each circle within the piece possesses distinct patterns, and characteristics, representing the myriad backgrounds and identities of the individuals involved. Yet, amidst these differences, a profound connection emerges, reminding us that our collective strength lies in our ability to embrace and value our diversity.

The surrounding U-shaped forms encircling the central circle portray people from all walks of life coming together with a shared purpose and commitment. These shapes embody the principles of strength, understanding, and empathy, reflecting the collective effort towards reconciliation and fostering a sense of belonging for everyone involved.

The outer line work serves as a visual representation of the first step taken together, a bold and decisive stride towards a future of harmony and mutual understanding. As the colourful waves radiate outwards from this initial step, they symbolise the powerful ripple effect that occurs when individuals join forces and work collaboratively towards a common cause. Each wave signifies the transformative impact that can be achieved through collective action, emphasising the profound positive change that can arise from unity and shared values.

"Unity in Diversity" stands as a testament to the company's commitment to reconciliation and collaboration. It inspires and invites viewers to recognise the beauty and strength that emerge when we acknowledge and embrace our differences, fostering a future of inclusivity, respect, and harmony.

Through this artwork, we are reminded that by taking that first step together, we have the power to create a ripple effect that extends far beyond our immediate circle, inspiring others to join us on the journey towards a better future and further improve outcomes for First Nations people.
